(1 May 2018, Hong Kong) Hong Kong where people are constantly on the go and life can get a bit hectic, for this reason, the urban oasis - LEE TUNG AVENUE is launching a dynamic floral art project 'Enchanted Garden' from 3 to 6 May 2018, to give the city a tint of spring with a rejuvenating green space and elegant floral art decoration. You are cordially invited to visit our floral themed 'Enchanted Garden' in the Centre Piazza of LEE TUNG AVENUE, as well as to join the green workshops of upcycled wood products and floral decorative items. Moreover, for the first time, LEE TUNG AVENUE is going to hold a green charity sale hand in hand with Hong Chi Association, together promoting care to the mentally disabled and the idea of green living in the city. Come and take a selfie in this sweet mood with your family and friends in our vibrant photo corners and the quaint swing with floral decoration.

LEE TUNG AVENUE x Woodrite & Kanny's Living Art Studio Reborn of Recycled Wood and Glass

Collaborating with Woodrite, the social enterprise and the pioneer of promoting sustainable development in Hong Kong, LEE TUNG AVENUE has invited designer Miss Sue Wong to share the joy of upcycling of old wood materials into furniture and in workshops, also to educate the next generation to cherish the earth's resources. All are invited to experience the wonder of Sue's wood workshop during the promotional period.

LEE TUNG AVENUE is also collaborating with the local glass art studio – Kanny's Living Art Studio, workshops will be held to share with the public how to turn wine bottles, wine stoppers and plastic bottles into LED lights and Lucky Message Glass Bottle Paintings to embellish your home.

Recycling DIY Workshop

Besides the upcycling workshops, LEE TUNG AVENUE is organizing various eco-friendly workshops from 3 to 6 May, you may create fascinating decorations by recycled materials.
